

American Power Design, Inc.

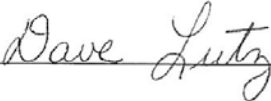

"The best high voltage design solution"

REACH-SVHC Compliance Statement

American Power Design, Inc. (APD) is committed to the standards and goals of chemical safety set forth by the European Parliament and hereby certifies that all APD's products, to the best of our knowledge, meet the requirements of the REACH-SVHC (Substances of Very High Concern), per Europe Union (EU) Regulation 1907/2006.

The latest 181 substances restricted per the REACH Regulation were last updated on January 15, 2018. Please refer to the following for the most current candidate list of substances: <http://echa.europa.eu/candidate-list-table>.

Additional information on the European Union's REACH regulation can be found here: <http://echa.europa.eu/regulations/reach>
